

2025 IFTA EDUCATIONAL FORUM

JUNE 2-6, 2025
ORLANDO, FL

Join us at the largest IFTA, Inc. event in 2025! This Forum offers a unique opportunity to:

- Connect with industry experts.
- Gain insights into fuel use tax processes.
- Learn about the fundamentals of IFTA and IRP, including how to apply for an IFTA and IRP license.
- Prepare an IFTA tax return and an IRP registration.
- Understand the record-keeping requirements for both IFTA and IRP.
- Prepare for an audit.

Participate in pivotal discussions that will shape the future of IFTA and the motor carrier industry. Don't miss this chance to be part of the conversation and drive change!

Monday – Optional Day - Carrier/Industry - IFTA (I Found The Answers)

New to IFTA or starting your career as a motor carrier or service provider? Learn the basics, attend a truck inspection demo by law enforcement, and hear from experts. Spend this optional day getting all your questions answered!

Tuesday through Thursday

Begin With The Basics Join us for a session on the basics of IFTA and IRP from a motor carrier or service provider's perspective. We'll explore life before these programs, their enactment, and their transformative impact. Discover the differences and similarities between IFTA and IRP, and understand "What Is IFTA and What's The Plan" through the eyes of those directly involved.

Systems For Success Learn about the systems used for IFTA compliance, including what works and what doesn't. Understand the differences between ELDs and GPS, and get insights on fuel records and systems. Our experts will guide you on how to comply with IFTA and IRP requirements.

Compile And File As a carrier, you've been on the road for weeks. As a service provider, you're waiting for client records. Do you have everything for the quarterly tax return? What about exemptions, non-taxable fuel, and non-IFTA distance? How have alternative fuels affected recordkeeping? Our experts will guide you through collecting records and filing the quarterly return.

CYAS (Complete Your Audit Successfully) You've been selected for an audit. How do you prepare and survive? Hear from experts and an auditor about the audit process, effective communication, assembling records, and understanding your rights and responsibilities. Learn how audits can be educational for future compliance.

Hello Officer! Help Us Help You! Compliance involves more than just collecting records and filing returns. Learn how carriers and service providers interact with law enforcement, the tools they use, and how to ensure drivers have the correct information for safe and compliant passage. Industry experts and a law enforcement representative will be available to answer your questions.

We Want You, We Need You! The motor carrier industry benefits greatly from IFTA and IRP. Learn how you can contribute beyond just licensing and record-keeping. Discover how to establish Best Practices, get involved in Committees and Working Groups, and even contribute to the 2026 IFTA Educational Forum!

Tuesday through Thursday - Afternoon Stakeholder Sessions

Mergers And Acquisitions When two companies merge, what happens to the IFTA license, decals, apportioned registrations, and US DOT number? Who is liable in audits and inspections? Find answers to these questions and more in this engaging session for all stakeholders!

Collections And The Cost Of Non-Compliance Explore how non-compliance affects your jurisdiction or business. We'll discuss tax assessments, audits, handling uncollectable accounts, and processing collected monies. Learn about addressing delinquencies, dyed diesel compliance costs, and late funding concerns. Engage with member jurisdictions and industry representatives in this interactive session.

Trivial Thursday After a week of intense study, relax and enjoy a fun, interactive session with fellow stakeholders. Showcase your knowledge in a lighthearted trivia game covering all fields of study from the week. Bring your "A game" and be the big winner!

Friday – General Session and Stakeholder Meetings
